Guidelines for selecting the items:

The entire BMR show has to be under 4 hours. If the total performance time exceeds 4 hours, items will be selected for the show.

The following criteria will be applied by the selection panel to select the items for BMR

1. The duration of the item (shorter items of 5mts and under will be given priority)
2. Number of participants. (An item with more participants will be given priority)
3. Items promoting Sri Lankan traditional culture.
4. Items promoting the BMR theme (Unity and new beginnings)
5. Items proposed by producers who have a track record of successful BMR items in the past will be given priority.

Conditions of the BMR 2010:

BMR is a community project organised by the SCF to promote local artists. No payment will be made by The SCF to the producers or performers.

The selections panels' decision is final.

I understand agree to the conditions of the BMR2010.
